% Free/Reduced Lunch - Percent of students at school who receive either a free or reduced priced lunch.

Market Share - The % of students in a resides location attending a Jefferson County Public School.

Mobility Index - A comparison of re-entries to total enrollment (expressed as an annual percentage).

Chronic Absentees - Students who were absent at least 10% of their total enrollment

Parent/Teacher Conference Data - Number of conferences reported for the 2 established conference days per school year.

Professional Staff Degrees - Number of Certified staff members who have advanced their education level beyond a high school diploma

Professional Staff Ethnicity - Calculation of ethnic diversity among Certified Staff

Program Capacity - Utilization of school building.

PTA Membership - Number of reported Parent Teacher Association memberships for the school year indicated.

Pupil/Teacher Ratio - School ratio of students to teacher

Site-Based Decision Making - status of school's governing council

Stability - Number of students who finish a school year and enroll at the same school the following year compared to the total finishing at that school.

Student Enrollment - Includes all students enrolled in the school.

Suspension Incidences - Number of school suspensions for the school year indicated.

(Teachers) % Attendance - % of active full-time teachers (not on long-term leave) to include: (1) Teachers that are at school (Present) OR, on professional leave (Excused)

(Teachers) % Retention - % of (active full-time) teachers at a particular school at the end of a school year and returned to the same school the following year.

Traditional Program - Schools that offer strong basic skills in a highly structured educational environment.

ACT and SAT- (Graduating Class 2025) - College entrance exam.

Non-Academic Data - Non-academic indicators- Statistics which describe school success on the nonacademic goals. (see below) (Data provided by KDE)

% Dropouts - % of students who dropped out of school for the school year indicated.

% Retentions - % of students retained for the school year indicated

% Attendance - Values for attendance rate shall be the actual percentage reported.

% Transition to Adult Life - Values shall be the actual percentage reported for the graduating students for school year indicated (high schools only).

Graduation Rate (2025) - The four-year adjusted cohort graduation rate is the number of students who graduate in four years with a regular high school diploma divided by the number of students who form the adjusted cohort for the graduating class. From the beginning of grade 9, students who are entering that grade for the first time form a cohort that is subsequently "adjusted" by adding any students who transfer into the cohort later during grade 9 and the next three years and subtracting any students who transfer out, emigrate to another country or die during that same period.

The Kentucky Board of Education (KBE) approved amendments to 703 KAR 5:270 to include changes required by Senate Bill 158 (2020). The regulation became effective in the fall of 2021.

The new accountability system includes an exclusive list of six state indicators that measure school performance:

- * State Assessment Results in reading and mathematics
- * State Assessment Results in science, social studies and writing
- * English Learner Progress
- * Quality of School Climate and Safety
- * Postsecondary Readiness (high school only)
- * Graduation Rate (high school only)

The U.S. Department of Education (USED) required states to implement school accountability and school identification requirement for the 2021-2022 school year.

● Red(Low Performance) ● Orange ● Yellow ● Green ● Blue(High Performance)
 ↓ Declined Significantly ↘ Decline → Maintained ↗ Increased ↑ Increase Significantly

The Kentucky Board of Education (KBE) approved amendments to 703 KAR 5:270 to include changes required by Senate Bill 158 (2020). The regulation became effective in the fall of 2021

The new accountability system includes an exclusive list of six state indicators that measure school performance:

- * State Assessment Results in reading and mathematics
- * State Assessment Results in science, social studies and writing
- * English Learner Progress
- * Quality of School Climate and Safety
- * Postsecondary Readiness (high school only)
- * Graduation Rate (high school only)

The Kentucky Board of Education (KBE) approved amendments to 703 KAR 5:270 to include changes required by Senate Bill 158 (2020). The regulation became effective in the fall of 2021

The new accountability system includes an exclusive list of six state indicators that measure school performance:

- * State Assessment Results in reading and mathematics
- * State Assessment Results in science, social studies and writing
- * English Learner Progress
- * Quality of School Climate and Safety
- * Postsecondary Readiness (high school only)
- * Graduation Rate (high school only)

The Kentucky Board of Education (KBE) approved amendments to 703 KAR 5:270 to include changes required by Senate Bill 158 (2020). The regulation became effective in the fall of 2021

The new accountability system includes an exclusive list of six state indicators that measure school performance:

- * State Assessment Results in reading and mathematics
- * State Assessment Results in science, social studies and writing
- * English Learner Progress
- * Quality of School Climate and Safety
- * Postsecondary Readiness (high school only)
- * Graduation Rate (high school only)

The U.S. Department of Education (USED) required states to implement school accountability and school identification requirement for the 2021-2022 school year.

● Red(Low Performance) ● Orange ● Yellow ● Green ● Blue(High Performance)
 ↓ Declined Significantly ↘ Decline → Maintained ↗ Increased ↑ Increase Significantly

The Kentucky Board of Education (KBE) approved amendments to 703 KAR 5:270 to include changes required by Senate Bill 158 (2020). The regulation became effective in the fall of 2021

The new accountability system includes an exclusive list of six state indicators that measure school performance:

- * State Assessment Results in reading and mathematics
- * State Assessment Results in science, social studies and writing
- * English Learner Progress
- * Quality of School Climate and Safety
- * Postsecondary Readiness (high school only)
- * Graduation Rate (high school only)

The Kentucky Board of Education (KBE) approved amendments to 703 KAR 5:270 to include changes required by Senate Bill 158 (2020). The regulation became effective in the fall of 2021

The new accountability system includes an exclusive list of six state indicators that measure school performance:

- * State Assessment Results in reading and mathematics
- * State Assessment Results in science, social studies and writing
- * English Learner Progress
- * Quality of School Climate and Safety
- * Postsecondary Readiness (high school only)

The Kentucky Board of Education (KBE) approved amendments to 703 KAR 5:270 to include changes required by Senate Bill 158 (2020). The regulation became effective in the fall of 2021

The new accountability system includes an exclusive list of six state indicators that measure school performance:

- * State Assessment Results in reading and mathematics
- * State Assessment Results in science, social studies and writing
- * English Learner Progress
- * Quality of School Climate and Safety
- * Postsecondary Readiness (high school only)
- * Graduation Rate (high school only)

The U.S. Department of Education (USED) required states to implement school accountability and school identification requirement for the 2021-2022 school year.

● Red(Low Performance) ● Orange ● Yellow ● Green ● Blue(High Performance)
 ↓ Declined Significantly ↘ Decline → Maintained ↗ Increased ↑ Increase Significantly

The Kentucky Board of Education (KBE) approved amendments to 703 KAR 5:270 to include changes required by Senate Bill 158 (2020). The regulation became effective in the fall of 2021

The new accountability system includes an exclusive list of six state indicators that measure school performance:

- * State Assessment Results in reading and mathematics
- * State Assessment Results in science, social studies and writing
- * English Learner Progress
- * Quality of School Climate and Safety
- * Postsecondary Readiness (high school only)
- * Graduation Rate (high school only)
