Let's Get Started

The Jefferson County Public School (JCPS) District has **89 elementary schools**, all of which focus on core subjects like reading, writing, math, science, and social studies while also introducing students to a variety of other subjects, such as the arts, technology, and world languages.

To better predict your student's educational path, JCPS is moving away from "clusters" and now designates elementary school zones by high school networks. Each elementary school is grouped into **1 of 15 feeder patterns**—groups of 3 to 8 JCPS elementary schools located within a geographic area connected to a specific JCPS high school. JCPS guarantees your student a seat at one of the schools in their designated zone, determined by your student's home address. JCPS also offers students living in the Choice Zone an option to attend school close to home or farther away.

While most elementary school students choose to attend one of the schools in their zone, JCPS has other programs to best match your student's learning style or interests. We offer a variety of elementary magnet schools and magnet programs—many of which are nationally recognized or focus on a specialized area.

JCPS
SchoolFinder

Register and Apply

Review Options and Select Preference

Decide what type of learning environment works best for your student, and explore school options, programs, and/or offerings at each school.

During the application process, you will be asked to rank schools in your designated zone by order of preference. You can also apply for up to two other options, such as a magnet school or a school-based magnet program.

Enrolling in school is a two-step process.

1. Register for JCPS if you are a new student.
2. Complete the Elementary Application.

Elementary School Options

- **Zone Schools** (page 8)
- **Magnet Schools** (page 68)
- **Magnet Programs** (page 76)

Have You Registered?

You need to register if:

- Your student has never attended a JCPS school.

How to Register

- Online
- At any JCPS elementary school
- At the Office of School Choice

Registration Process

- All students new to JCPS must register with the district before applying for school. You can register at any time. Students who are currently enrolled in JCPS Early Childhood do not need to register again.
- Students must be a resident of Jefferson County to register. If families are relocating, contact the Office of School Choice at **(502) 485-6250**.
- You may register your student for school regardless of immigration status and/or a fixed, regular, and adequate nighttime residence. For more information, contact the Office of Access and Opportunity at **(502) 485-3650**.

Applications open:
November 3, 2025

Application deadline:
December 19, 2025

Acceptance notification:
April 2026

After You Register

After you register, JCPS will verify your information and send you an email to complete your application, which can take up to two business days. Incoming kindergartners and/or new students to JCPS may then apply to schools within their zone. To find out which zone you're located in, call the JCPS Demographics Office at **(502) 485-3050** or use the online JCPS SchoolFinder search tool. (See page 4 to scan QR code.)

Apply Application Process

Important to note: It's important to reference the on-time application window. We accept late applications; however, space at your preferred school(s) may be limited based on school capacity.

All elementary students completing an application must rank the schools within their zone in order of preference. If you live in the Choice Zone, you must select between your close-to-home or far-away options before you begin ranking. JCPS keeps siblings together in elementary school zones. The district also considers parental choice, space, a student's home address, and the diversity of the student body when placing students at schools. Due to capacity constraints, not all families can or will receive their first school choice.

Magnet Application Information

- Students may submit one magnet application per year.
- Submitting a magnet application doesn't guarantee admission, and submitting false information will void an application.
- Waiting lists are not kept from year to year.
- Magnet applications can only be edited during the on-time application period.
- Siblings of current or former magnet school students do not receive preference in the application process, but those who share the same date of birth (twins, triplets, etc.) are treated as one application. However, parents must submit a separate application for each student.

You need to apply if:

- Your student has never attended a JCPS school.
- Your student is entering kindergarten.
- Your student has had a change of address.
- Your student is applying for a magnet school or magnet program.

How to Apply

Families are encouraged to apply online (**scan QR code**), but in-person application options are available.

You can apply in person at the following locations:

- JCPS Office of School Choice: 4309 Bishop Lane
- Any school location

Fast Facts

Application required

What Is a Zone?

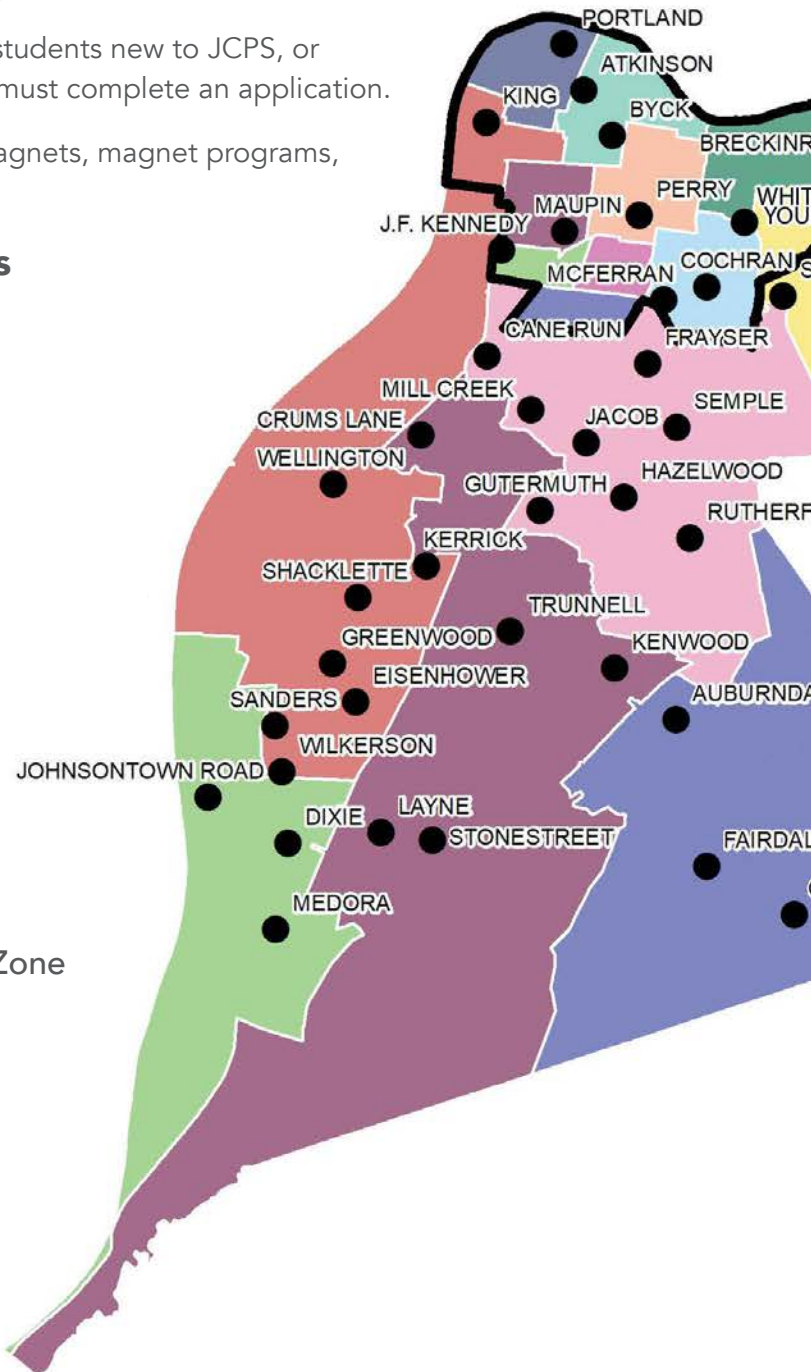

A zone is a group of three to eight JCPS elementary schools located within a specific geographic area connected to a specific JCPS high school. This will better predict your student's educational path. JCPS guarantees every student a seat at a school in their zone, which is determined by their home address.

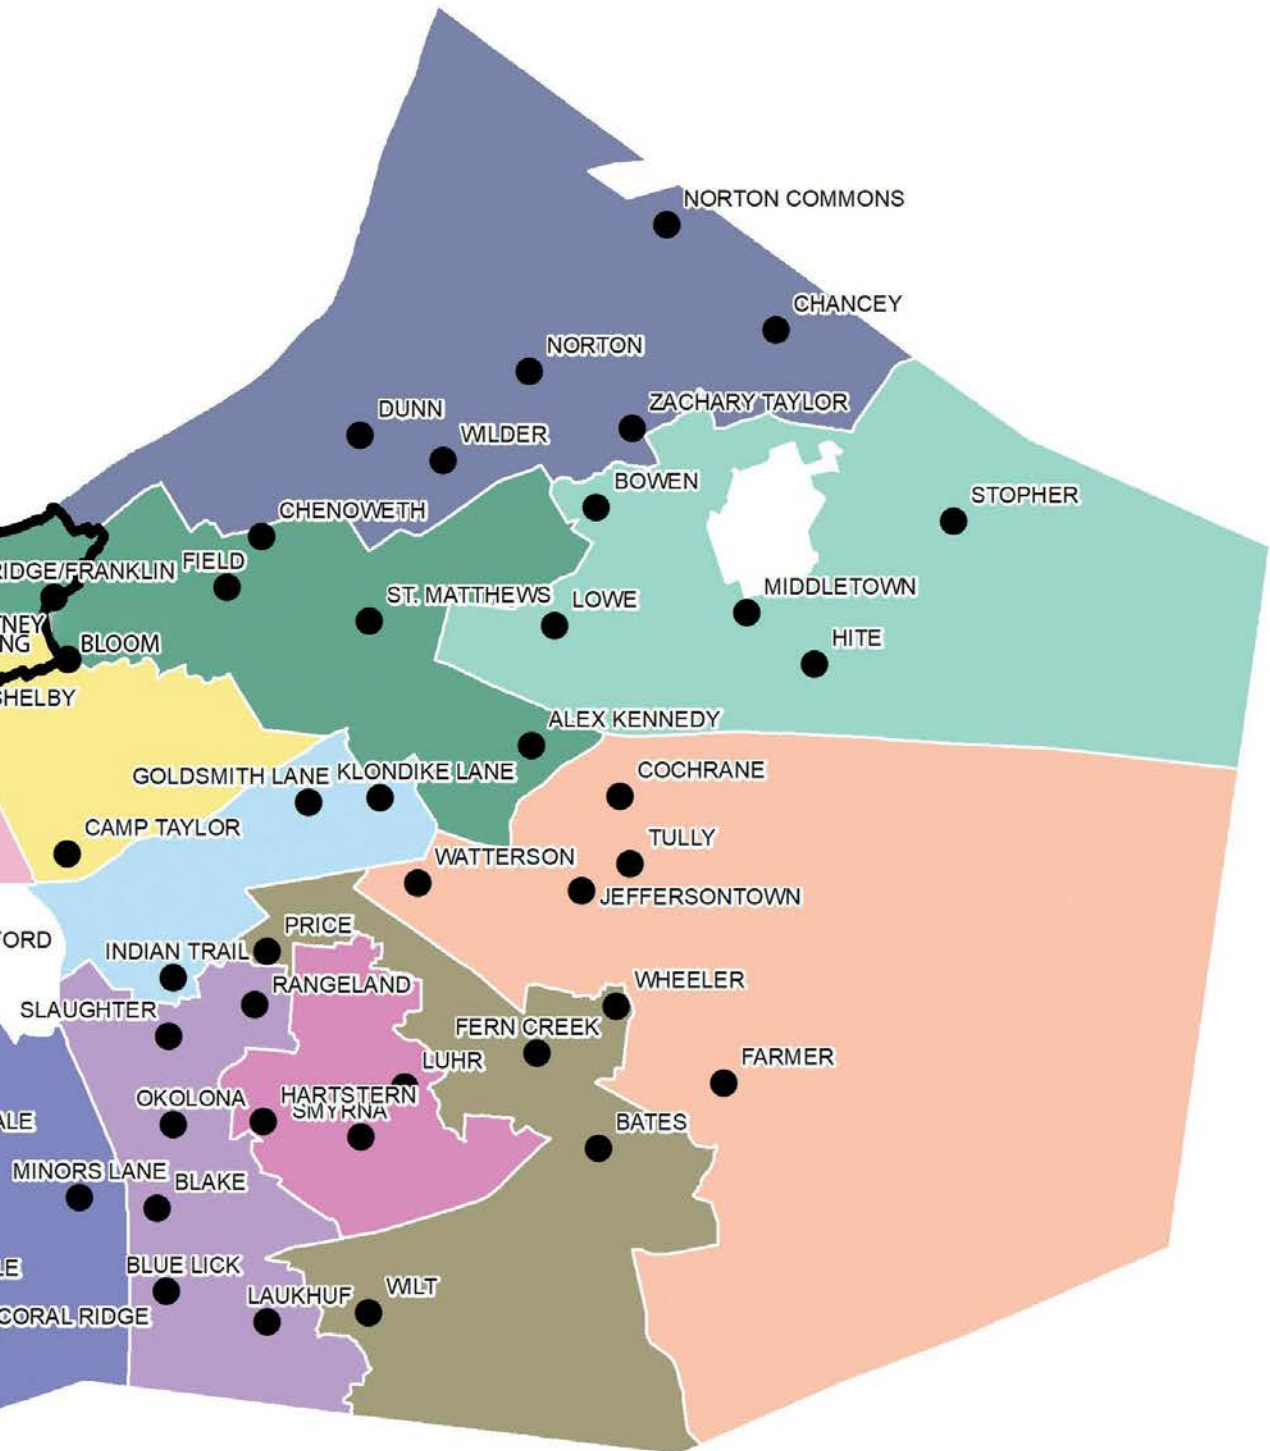

Incoming kindergarten students, students new to JCPS, or students with an address change must complete an application.

All students may also apply for magnets, magnet programs, and school transfers.

Feeder Patterns

JCPS has developed 15 feeder patterns that allow parents to see the elementary, middle, and high school their student will attend based on their home address.

Percentages represent the portion of the student body to attend the indicated high school.

Maupin Elementary

Network 2

Important to note: Elementary Satellite Options

To address over-enrollment across elementary schools, the Jefferson County Board of Education (JCBE) introduced satellite schools for the 2025-26 school year. Price Elementary was added as a satellite option for the Moore Elementary Zone, and Watterson Elementary was added to the Fern Creek Elementary Zone. In the Southern Elementary Zone, Minors Lane Elementary was introduced as a satellite school. Dunn Elementary is a satellite option for the Waggener Elementary Zone. These schools will remain in their current zone, while also being an option for the newly established satellite area. This does not impact any current students. It only impacts kindergartners and those who are new to the zone.

SCHOOL PROFILES

Bloom Elementary

Student Enrollment: 534

Phone: (502) 485-8211

Address: 1627 Lucia Avenue, Louisville, KY 40204

Web: jefferson.kyschools.us/page/bloom-elementary

At Bloom Elementary, we provide life-enriching opportunities so that students are empowered to become the best version of themselves. Our vision is to become a world leader in individualized student growth. The Bloom learning community motivates students to love learning and value the importance of education by providing a holistic approach to achieving proficiency.

School Highlights

- Provides full-time music, mindfulness, physical education (PE), Spanish, library, arts, and technology teachers
- Offers after-school programs, including chess, basketball, cheerleading, media club, Student Technology Leadership Program (STLP), and Academic Team
- Features a grant-winning school garden that is incorporated into classroom instruction and a nationally recognized Food is Elementary Program for first graders
- Actively involved Parent Teacher Association (PTA) with strong classroom and community support

Camp Taylor Elementary

Student Enrollment: 338

Phone: (502) 485-8222

Address: 1446 Belmar Drive, Louisville, KY 40213

Web: jefferson.kyschools.us/page/camp-taylor-elementary

Camp Taylor Elementary is dedicated to moving all students toward academic proficiency. We aim to educate the school community by continually identifying specific needs, developing plans, and taking actionable steps to ensure that all students are productive members of the global community.

School Highlights

- Provides full-time special area programming for library media, arts and humanities, and Science, Technology, Engineering, and Mathematics (STEM) Lab
- Recipient of the 5x5 Fund for the Arts Grant so that students can attend performances by local arts organizations
- Strong comprehensive support systems, including schoolwide Positive Behavioral Interventions and Supports (PBIS), a full-time mental health counselor, and a Family Resource Center (FRC)
- Meets the needs of all students in a culturally diverse environment
- Offers mentoring and in-school leadership opportunities as well as a wide range of in-school and after-school activities, including co-ed basketball, cheerleading, chess club, student government, art club, band, orchestra, annual Disney Musical, Girls on the Run, 4-H, Junior Achievement (JA), and robotics team

Shelby Academy

Student Enrollment: 246

Phone: (502) 485-8327

Address: 735 Ziegler Street, Louisville, KY 40217

Chancey Elementary

Student Enrollment: 485

Phone: (502) 485-8387

Address: 4301 Murphy Lane, Louisville, KY 40241

Web: jefferson.kyschools.us/page/chancey-elementary

At Chancey Elementary, our vision is to have a focused commitment to overcoming barriers and achieving academic success. Chancey Cardinals will impact the world. Our mission is to empower each other to foster a love of learning and achieve academic excellence. We will provide rigorous, equitable educational experiences to meet the diverse needs of the students we serve. We work to ensure that all of our students have the skills needed to succeed. Chancey is a Leader in Me school.

School Highlights

- Welcomes families as partners in reaching and teaching the whole child
- Engages students by embracing individual interests and learning styles through Project-Based Learning (PBL) activities
- Offers the Primary Talent Pool and gifted and talented learning opportunities for K–5 students
- Provides special area instruction in music, art, and wellness and a 21st-century media library center
- Offers Multi-Tiered Systems of Support (MTSS) to provide additional instruction to all levels of students to meet their academic, social, and emotional needs
- Advance Program
- Infuses instruction with technology, including a computer lab, an iPad cart, and 1:1 Chromebooks for K–5 students to meet the individual needs of students
- **Student activities:** Robotics, cross-country, Girls on the Run, soccer, Tippy Toes Ballet, Digital Media Club, Student Technology Leadership Program (STLP), cheerleading, basketball, band, orchestra, Academic Team, Student Council, and Girl Scouts

Dunn Elementary

Student Enrollment: 433

Phone: (502) 485-8240

Address: 2010 Rudy Lane, Louisville, KY 40207

Web: jefferson.kyschools.us/page/dunn-elementary

Dunn focuses on mastery skills in the areas of Effective Communicator, Emerging Innovator, Prepared and Resilient Learner, Globally and Culturally Competent Citizen, and Productive Collaborator.

School Highlights

- 2023 Kentucky Summative Assessment (KSA) overall performance rating of Blue (highest performance in the state)
- Learning experiences provided by master teachers, including four National Board Certified Teachers (NBCTs), one Hilliard Lyons-Baird Excellence Teacher Award, Outstanding School Librarian in state and county, and three Project-Based Learning (PBL) Certified teachers
- Personalized learning and a strong foundation in PBL experiences
- Science, Technology, Engineering, the Arts, and Mathematics (STEAM) Lab; arts and humanities; Spanish; library; Art Talent Pool; and Gifted and Talented Enrichment
- Variety of technology modes used to demonstrate learning
- Strong Parent Teacher Association (PTA) partnership with parents and the community
- Robotics Club, Chess Club, Academic and Problem Solving Team, orchestra, Safety Patrol, basketball, cheerleading, cross-country, soccer, Girl Scouts, Men of Quality, and more
- YMCA Child Enrichment Program (CEP) for before- and after-school childcare

Norton Commons Elementary

Student Enrollment: 600

Phone: (502) 485-8367

Address: 10941 Kings Crown Drive, Prospect, KY 40059

Web: jefferson.kyschools.us/page/norton-commons-elementary

At Norton Commons Elementary School (NCES), it is our goal that all of our students will be responsible citizens who demonstrate independent problem solving and resiliency. Our mission is to exemplify an empowered and innovative community through rigorous instruction, intentional learning, and meaningful relationships.

School Highlights

- Deeper Learning Lab (Science, Technology, Engineering, the Arts, and Mathematics [STEAM] and Project-Based Learning [PBL]), music, library, art, and physical education (PE)
- Includes club programming as part of the special areas program, which provides students with enrichment classes in high-interest curricular areas
- Strong partnership with parents and the community to enhance student achievement, including an active Parent Teacher Association (PTA)
- **Student activities (changed annually based on student interests):** Robotics Club (K–5), Student Technology Leadership Program (STLP), Chess Club, Academic Team, band, orchestra, boys' and girls' basketball, cheerleading, Beta Club, and cross-country
- Promotes educating the whole child through a partnership with the Norton Commons YMCA, which provides students, staff, and families with such programming as soccer clinics, swim safety classes for second graders, pickleball clinics, volleyball clinics, and the Girls Who Code Club

Norton Elementary

Student Enrollment: 712

Phone: (502) 485-8308

Address: 8101 Brownsboro Road, Louisville, KY 40241

Web: jefferson.kyschools.us/page/norton-elementary

Norton Elementary is where all students learn at high levels. No exceptions! No excuses!

School Highlights

- 2017 Exemplary High Performing National Blue Ribbon School
- A tradition of high academic achievement based on state and district assessments
- Academic expectations with rigorous, engaging instruction that is differentiated based on individual student need
- Primary Talent Pool enrichment activities for high-performing students at all grade levels
- Advance Program and Gifted/Talented instructional opportunities for qualifying students in fourth and fifth grades
- K–5 French, music, physical education (PE), art, and Science, Technology, Engineering, the Arts, and Mathematics (STEAM)
- Newly designed library media center
- Annual Art and Music Festival, which celebrates the individual talents of students
- Events sponsored by an award-winning Parent Teacher Association (PTA)

Portland Elementary

Student Enrollment: 291

Phone: (502) 485-8313

Address: 3410 Northwestern Parkway, Louisville, KY 40212

Web: jefferson.kyschools.us/page/portland-elementary

Portland Elementary is a fully personalized environment where learners receive experiences that are tailored to their specific emotional, cultural, and academic needs. We believe that every student has the opportunity to thrive, grow, and achieve no matter their starting place.

School Highlights

- Small-class-size option to provide tailored instruction that meets individual needs
- Art; physical education (PE); library; Science, Technology, Engineering, and Mathematics (STEM) Lab; and Compassionate Schools Project (CSP)
- Comprehensive guidance and mental health programming through numerous in-school and community service providers
- Collaborates with the University of Louisville (UofL) Signature Partnership to support teachers who implement innovative practices in the classroom and provides a virtual learning lab with 25 state-of-the-art virtual learning headsets
- **Student activities:** Girls' and boys' basketball, cheerleading, piano lessons, soccer, LVA, and Annual Talent Show
- Participates in 5x5 Fund for the Arts Program
- Partnership with Northeast Christian (NEC) Church

Zachary Taylor Elementary

Student Enrollment: 269

Phone: (502) 485-8336

Address: 9620 Westport Road, Louisville, KY 40241

Web: jefferson.kyschools.us/page/zachary-taylor-elementary

Vision: Educating All Students to Achieve Today and Lead Tomorrow

Zachary Taylor Elementary is a small school with a big heart. We have staff who are committed to ensuring that all students are receiving a strong academic foundation to prepare them for success in middle school. We are proud of our diversity in students and staff. We have more than 20 nations and languages represented in our building. Zachary Taylor students are critical thinkers and problem solvers.

This is the hidden gem of the East End, and we can't wait for your student to join us!

School Highlights

- Primary Talent Pool, Advance Program, and Gifted and Talented Program
- **Student activities:** Robotics, Quick Recall, Future Problem Solving, Student Technology Leadership Program (STLP), dance team, cheerleading, basketball, soccer, Girls on the Run, Beautiful As You Are (BAYA), Flag Patrol, Gifted Girls, Navigators, orchestra, arts and humanities, physical education (PE), library, and Science, Technology, Engineering, and Mathematics (STEM)
- Support from Parent Teacher Association (PTA), local churches, and businesses
- Full-time mental health counselor, Character Strong social and emotional learning curriculum, and Positive Behavioral Interventions and Supports (PBIS)

Wilder Elementary

Student Enrollment: 471

Phone: (502) 485-8350

Address: 1913 Herr Lane, Louisville, KY 40222

Web: jefferson.kyschools.us/page/wilder-elementary

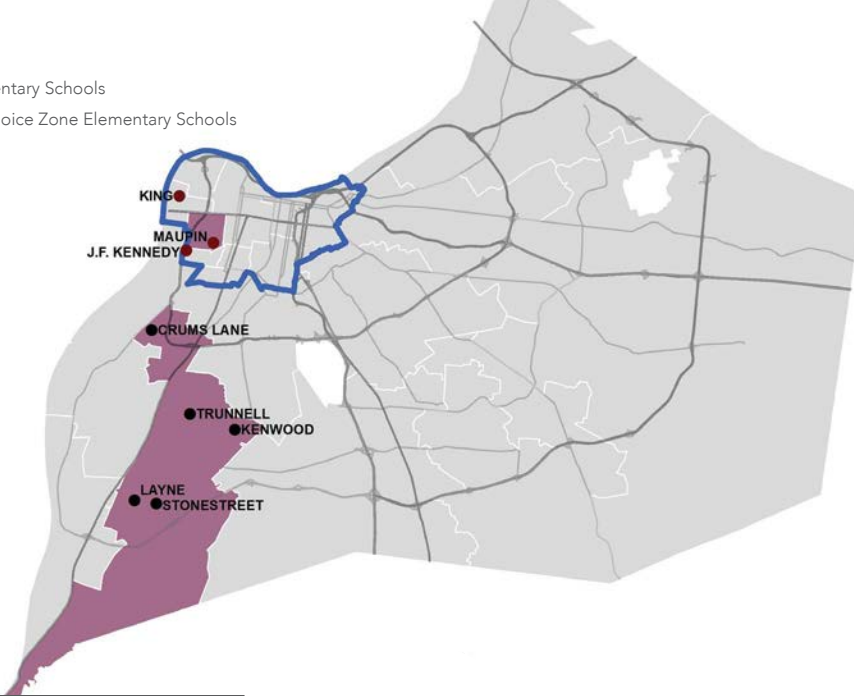

Wilder Elementary has provided quality instruction to students in eastern Jefferson County since 1957. Our students consistently leave our school prepared and ready for middle school. Parents and former students speak positively about their experience at our school. Wilder's mission is that students will have a solid foundation so that they are prepared to lead in an ever-changing society. We empower our students to reach their full potential by providing quality instruction that is inspiring, relevant, and comprehensive. Also, we teach students responsibility and challenge students to be their best.

School Highlights

- Primary Talent Pool and Advance Program
- **Student activities:** Cheerleading, basketball, chorus, Young Rembrandts, cross-country, track, Drama Club, dance, volleyball, soccer, Academic Team, Safety Patrol, Boy Scouts, Girl Scouts, Student Council, band, orchestra, and Student Technology Leadership Program (STLP)
- Monthly events sponsored by award-winning Parent Teacher Association (PTA); Art; music; Latin; Science, Technology, Engineering, and Mathematics (STEM); Spanish; orchestra; band; physical education (PE); and library media
- YMCA Child Enrichment Program (CEP) for before- and after-school childcare
- 2016 Kentucky Department of Education (KDE) School of Distinction
- **Motto:** "Wilder Wildcats Always Do Their Best!"

Bowen Elementary

Student Enrollment: 716

Phone: (502) 485-8213

Address: 1601 Roosevelt Avenue, Louisville, KY 40242

Web: jefferson.kyschools.us/page/bowen-elementary

As a Leader in Me school, we believe that every member of our school community has genius. Leader in Me is about empowering our students, staff, and families to reach their full potential while ultimately finding their voice. We have the following five core beliefs that govern everything we do:

- Everyone is a leader.
- Everyone has genius.
- Change starts with me.
- Students are empowered to lead their own learning.
- Educators and families partner to develop the whole person.

School Highlights

- Provides opportunities for kindergarten through grade-three students to participate in art, music, library, physical education (PE), and Spanish on a rotational basis
- Supports student choice by allowing Intermediate students to participate in electives based on their interests (e.g., art, music, leadership, and Science, Technology, Engineering, the Arts, and Mathematics [STEAM])
- Features the latest in educational technology with a focus on infusing technology into all facets of instruction
- Features an award-winning Student Technology Leadership Program (STLP) in which students have opportunities to explore ways they can use their leadership skills to have an impact on the community
- Offers a range of extracurricular activities, including basketball, cheerleading, Chess Club, cross-country, orchestra, Problem Solving, Quick Recall, soccer, and more
- Features an award-winning Parent Teacher Association (PTA) that sponsors monthly events to engage families in school activities

Phone: (502) 485-8221

Address: 2328 Cedar Street, Louisville, KY 40212

Web: jefferson.kyschools.us/page/byck-elementary

We ensure that all students have a supportive community that empowers, engages, and encourages character development in a high-quality learning environment.

School Highlights

- **Talent Development Magnet:** Students developing their talents, from baking to broadcasting, to find their true passion and merge their passion with their talent
- Employs instructors in the arts and humanities (drama, dance, art, and music) as well as library media, technology, and physical education (PE)
- Provides Gifted and Talented services
- Provides a technology-rich learning environment focused on Science, Technology, Engineering, and Mathematics (STEM) activities
- Offers a Collaborative for Academic, Social, and Emotional Learning (CASEL)-approved social-emotional curriculum, Global Game Changers
 - Students immersed in researching ways to Ignite Good in their community while developing strategies to tackle apathy
 - Offered to all students during the school day; extension of the program also offered after school

Hite Elementary

Student Enrollment: 493

Phone: (502) 485-8267

Address: 12408 Old Shelbyville Road, Louisville, KY 40243

Web: jefferson.kyschools.us/page/hite-elementary

At Hite Elementary, our vision statement is "Hite, where we are inspired to grow and be lifelong learners." This value is threaded through every aspect of our school, serving as a guiding belief shared by parents, staff, and the community. We are a proud member of the Energy Bus for School cohort, implementing the leadership and professional learning of Jon Gordon. We are embarking on our journey with Leader in Me to foster positive leadership in our school community and beyond. We have three rules we discuss in our daily morning meetings: Be kind, work hard, and have fun! We truly believe that continuous improvement leads us to be our best selves and, ultimately, to improve our entire community.

School Highlights

- **Research-based instruction with four full-time special areas:** Library, physical education (PE), Project-Based Learning (PBL), and Technology
- More than 20 languages spoken
- Multi-Tiered Systems of Support (MTSS) embedded in master schedule
- Provides social-emotional learning for all students
- Provides enhanced technology instruction
- Provides homeroom and specialized grouping, which creates a sense of family, challenges students with PBL, and promotes cooperative learning
- **Student activities:** Academic Team, ballet, concert band, drama, Girls on the Run, Girls Who Code, Kind Kids Club, nature, newspaper, orchestra, pickleball, Quick Recall, robotics, Sewing Club, Soccer Shots, and Student Technology Leadership Program (STLP)

Our dedicated educators provide engaging, student-centered learning experiences that empower scholars to think critically, collaborate effectively, and achieve high levels of success.

With a strong emphasis on both core content and the related arts, we cultivate a well-rounded educational experience that fosters creativity and confidence. Through inclusive practices, innovative instruction, and strong partnerships with families, we are committed to ensuring that every scholar is valued, challenged, and supported on their journey to excellence.

At Klondike Lane, we believe that every scholar has the potential to excel, and we are committed to providing the resources, guidance, and encouragement they need to thrive. Join us in creating a future where learning, creativity, and character come together to shape tomorrow's leader.

School Highlights

- Academic excellence—High-quality instruction in reading, math, science, and social studies, tailored to meet the needs of all learners
- Diverse and inclusive community—A welcoming environment that celebrates multiple languages, cultures, and backgrounds
- Social-emotional learning—Programs that help scholars build strong character, resilience, and positive relationships
- Enrichment and extracurriculars—Clubs, leadership opportunities, and after-school programs that extend learning beyond the classroom

McFerran Preparatory Academy

Student Enrollment: 577

Phone: (502) 485-8297

Address: 1900 S. Seventh Street, Louisville, KY 40208

Web: jefferson.kyschools.us/page/mcferran-preparatory-academy

McFerran Preparatory Academy is a choice zone school focused on serving the needs of students with varying abilities and offering a learning environment that emphasizes a structured and orderly setting. Our mission is to prepare our scholars academically, socially, and emotionally for middle school. Together, we aim to be an elite academy that engages all students in high-quality learning experiences through a culture of consistency, intentionality, and collaboration.

School Highlights

- **Family engagement events:** Movie nights, special lunches, Fall Festival, family field trips, and more

Laukhuf Elementary

Student Enrollment: 641

Phone: (502) 485-8289

Address: 5100 Capewood Drive, Louisville, KY 40229

Web: jefferson.kyschools.us/page/laukhuf-elementary

Laukhuf Elementary is a place where learners become leaders. We believe Laukhuf Elementary provides all students with a challenging education that prepares them for success by developing the skills necessary to become responsible adults in a competitive world. Laukhuf is a place where students learn to read, write, and solve problems while working as part of a team. Students are actively involved in an instructional program that ensures their success. In addition, we have full-time instruction in library/media; Science, Technology, Engineering, the Arts, and Mathematics (STEAM); physical education (PE); and art and music.

School Highlights

- Student Technology Team that helps provide technical support to students and staff and shares our morning announcements via livestream daily
- Weekly instruction in art and music, STEAM, library, literacy, and PE
- Weekly Gifted and Talented class for identified students
- Student Technology Leadership Program (STLP) with students who have competed in state-level competitions for the past several years
- Enhances arts and humanities instruction by collaborating with Disney, StageOne Family Theatre, Louisville Orchestra, Kentucky Opera, Louisville Ballet, and Kentucky Shakespeare
- **Extracurricular activities:** Academic Team, Student Leadership Team, basketball, Men of Quality, GIFTED GIRLS, cheerleading, chess, Safety Patrol, Girls on the Run, band, soccer, and Disney Play
- Recognizes student achievements through quarterly town halls

Okolona Elementary

Student Enrollment: 391

Phone: (502) 485-8309

Address: 7606 Preston Highway, Louisville, KY 40219

Web: jefferson.kyschools.us/page/okolona-elementary

The mission of Okolona Elementary is to value each student as a unique learner and to provide engaging learning opportunities within a safe and caring environment. Our vision is that all Okolona students will develop socially, emotionally, and academically through authentic learning experiences in order to become productive members of society. Okolona Elementary became a Leader in Me school in 2019 and gained Lighthouse Certification in 2022. This leadership model assists in integrating a culture of character and leadership into our students, staff, and community.

School Highlights

- Uses an approach to leadership development that focuses on identifying and nurturing each student's strengths so that every student's strengths and abilities can be developed to help them become effective leaders in their own right
- **Provides a caring, nurturing environment with a wide range of educational and extracurricular opportunities and a variety of programs:** Student Technology Leadership Program (STLP), Future Problem Solving, Robotics Club, Quick Recall, and Chess Club
- Uses an all-hands-on-deck approach to meet the diverse needs of every student
- Offers leadership opportunities in the classroom as well as schoolwide
- Provides extra support for students through small focus groups in math and reading and Extended School Services (ESS)
- **Student activities:** Chess Club, Academic Team, 4-H, Sport Stacking Club, Kaleidoscope Camp, Safety Patrol, Boy and Girl Scouts, Girls on the Run, Leader of the Month, Spelling Bee, and other after-school programs sponsored by the staff members and the Family Resource Center (FRC)
- Weekly visual and performing arts (art and music), physical education (PE), library, and Science, Technology, Engineering, and Mathematics (STEM)

- Named a Parent Involvement School of Excellence by the National Parent Teacher Association (PTA)
- **Student activities:** Academic Team, band, basketball, cheerleading, orchestra, cross-country, track, Student Technology Leadership Program (STLP), Safety Patrol, Chess Club, robotics, Art Club, and community-based service-learning projects
- Award-winning Character Education Program with a House System

Satellite Option: The satellite option for the Waggener Zone is Dunn Elementary ([page 21](#)).

Magnet Schools

Fast Facts

Application required

What magnet schools are in the district?

There are five districtwide elementary magnet schools. These schools accept students from across the district and do not fall within a zone.

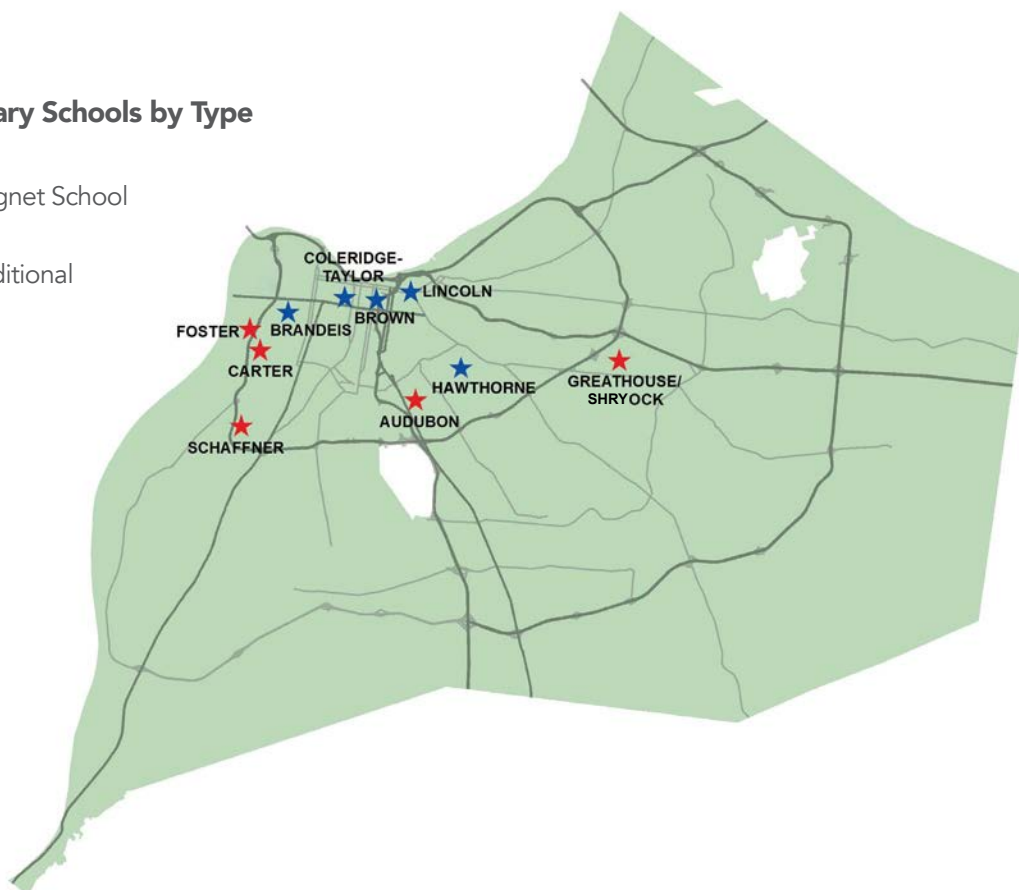

- **Brandeis Elementary** offers the Science, Technology, Engineering, the Arts, and Mathematics (STEAM) Magnet, engaging students in Project-Based Learning (PBL) opportunities.
- **J. Graham Brown School** is a Self-Directed Learning school, encouraging reasoned minds and educated hearts through independence, empathy, innovation, and advocacy.
- **Coleridge-Taylor Montessori Elementary** offers the Montessori Program. This self-directed learning fosters rigorous, self-motivated growth in all areas of development.
- **Hawthorne Elementary** is the only Spanish Immersion Magnet in JCPS. Every student who comes to Hawthorne will experience a Spanish Immersion learning environment in all grades.
- **Lincoln Elementary Performing Arts School (LPAS)** is Kentucky's only public elementary magnet school focused on the performing arts.

JCPS also has five boundary-based magnet elementary schools—Audubon, Carter, Foster, Greathouse/Shryock, and Schaffner—offering the Traditional Program as their magnet. Eligibility is dependent on your student's home address. The Traditional Magnet Program provides a student-centered and rigorous academic curriculum in a highly structured learning environment that is essential for developing College and Career Readiness. The Traditional Program contributes to a student's growth by emphasizing high academic standards and responsible conduct. In addition, the Traditional Program develops character and leadership skills through community involvement and promotes student well-being.

Our focus as Traditional schools is placed on the core subjects with an emphasis on developing complex thinkers who are self-directed learners and problem solvers striving for individual excellence and reaching their fullest potential in Academics, Character, and Citizenship.

Elementary Schools by Type

-  Magnet School
-  Traditional

SCHOOL PROFILES

Audubon Traditional Elementary

Student Enrollment: 614

Phone: (502) 485-8205

Address: 1051 Hess Lane, Louisville, KY 40217

Web: jefferson.kyschools.us/page/audubon-traditional-elementary

Audubon Traditional provides a challenging academic program in a structured, self-disciplined environment that promotes traditional values, high expectations, and data-driven instruction. Our reading and math instruction are standards-based, research-based, and integrated with technology.

School Highlights

- Active Parent Teacher Association (PTA) that donates many hours of service and purchases educational materials
- Family Resource Center (FRC) tasked with helping students and families overcome nonacademic learning barriers
- Fosters community involvement through such organizations as Junior Achievement (JA), Boy Scouts, Girl Scouts, Cultural Arts Assemblies/Programs, and more
- **Curriculum offerings:** Art and music, band and orchestra, computer lab, library, chorus, physical education (PE)/health, and science lab
- **Extracurricular activities:** American Sign Language (ASL), archery, Art Club, basketball, Beta Club, cheerleading, chorus, cross-country, Drama Club, field hockey, Gardening Club, Health Promotion Schools of Excellence (HSPE), Student Council, and Yoga Club

Brandeis Elementary

Student Enrollment: 473

Phone: (502) 485-8214

Address: 2817 W. Kentucky Street, Louisville, KY 40211

Web: jefferson.kyschools.us/page/brandeis-elementary

Welcome to Brandeis Elementary, the STEAM School! At Brandeis, perseverance defines who we are as a community of learners! As a school community, it is our unwavering commitment to deliver top-notch, challenging instruction within a nurturing environment, ensuring that every student thrives academically, socially, and creatively. We have cultivated a dynamic atmosphere where academic success, social advancement, and innovative thinking flourish. At Brandeis Elementary, we don't just educate; we empower students to conquer challenges, embrace curiosity, and excel in every facet of life.

School Highlights

- Districtwide magnet school where students are selected by random draw
- Classrooms that integrate Science, Technology, Engineering, the Arts, and Mathematics (STEAM) with an interactive twist, complemented by a state-of-the-art Innovation Lab
- Students who take charge of their learning journey, honing problem-solving skills and critical thinking
- A dedicated Sensory Lab that aids emotional exploration and supports social and emotional development
- Project-Based Learning (PBL) that immerses students in real-world scenarios, augmented by enriching before- and after-school programs
- Curriculum that includes student rotations to the following special area classes: Art, music, world language, and STEAM Lab
- **Extracurricular activities:** Basketball, track, soccer, debate, Fusal, Quick Recall, drama, LEGO Robotics, Girls on the Run, chess, Student Technology Leadership Program (STLP), and so much more

J. Graham Brown School

Student Enrollment: 300 (K–5)

Phone: (502) 485-8216

Address: 546 S. First Street, Louisville, KY 40202

Web: jefferson.kyschools.us/page/j-graham-brown-school

The J. Graham Brown School, the original magnet school, is a districtwide magnet school for students who thrive in a Self-Directed Learning environment. Our mission is to foster independence, cultivate empathy, ignite innovation, and inspire advocacy within a culturally responsive learning environment. J. Graham Brown School students have the “reasoned minds and educated hearts” of self-directed, lifelong learners.

School Highlights

- Districtwide Self-Directed Learning Magnet School serving kindergarten through grade-twelve students
- Provides an academic program that cultivates critical, open-minded, and creative thinkers who are willing to take risks and are eager for new knowledge
- Offers a learning environment that develops compassionate, tolerant, and respectful human beings who value cultural diversity and contribute to the community
- Grade-level academic performance and age-appropriate social skills that are expected for success in this informal educational setting
- Student voice, problem solving, and advocacy through Project-Based Learning (PBL)
- Student goal setting and self-monitoring of progress through student-led conferences
- Access to a variety of walking field trips throughout downtown—museums, parks, and more
- Extracurricular Activities
 - Sports:** Soccer, cross-country, basketball, cheerleading, and volleyball
 - Academic competitions:** Quick Recall, Written Assessments, Future Problem Solving, robotics team, and Student Technology Leadership Program (STLP)
 - Clubs:** Beta Club, Drama (including an annual schoolwide play), and Not Your Stereotypical Kids
 - Parent Teacher Student Association (PTSA) After-School Enrichment Program

Carter Traditional Elementary

Student Enrollment: 458

Phone: (502) 485-8225

Address: 3600 Bohne Avenue, Louisville, KY 40211

Web: jefferson.kyschools.us/page/carter-traditional-elementary

Jessie R. Carter Traditional Elementary has served students in its predominantly African-American community since 1922. Our mission is to embrace the whole child by providing rigorous academics in a structured, safe environment while promoting self-discipline, character development, and service leadership. We pride ourselves in high accountability for academic achievement, behavior, and parental involvement. We provide standards- and research-based content, data-driven instruction integrated with technology, and ongoing opportunities for kindness, laughter, friendship, and fun!

School Highlights

- Active Parent Teacher Association (PTA) with many volunteer opportunities
- Full-time Family Resource Center (FRC) coordinator and full-time mental health practitioner tasked with helping students and families overcome nonacademic barriers to learning
- Strict adherence to school rules, including dress code
- **Extracurricular activities and clubs:** Basketball, cheerleading, dance/step team, cross-country, soccer, band, orchestra, Men of Quality, Girls on the Run, Art Club, Extended School Services (ESS), and quarterly Family Engagement Nights

Coleridge-Taylor Montessori Elementary

Student Enrollment: 329

Phone: (502) 485-8232

Address: 1115 W. Chestnut Street, Louisville, KY 40203

Web: jefferson.kyschools.us/page/coleridge-taylor-montessori-elementary

Welcome to Coleridge-Taylor Montessori Elementary School—Home of the Monarchs! We are the proud recipients of the Magnet Schools Assistance Project (MSAP) grant, which has allowed us the opportunity to rebrand, reimagine, and reshape Montessori education in JCPS. Montessori education is a child-centered, scientifically based approach to education that fosters the following:

- Confidence-building
- Hands-opportunities for learning
- Independence and problem-solving
- Student agency
- Whole-child approach (psychological, physical, and social development)

School Highlights

- Tuition-based Montessori Program for 3- and 4-year-olds
- Creates culturally responsive, global citizens who explore our world through social justice
- Promotes leadership through collaboration, building empathy and independence, and self-development
- Offers various projects that promote environmental sustainability
- Field trips and experiences that foster students' curiosity for learning
- Collaboration with various community partners providing students with access to experiences and resources
- Additional learning support staff in classrooms, which offers students more opportunities for individualized instruction and learning using Montessori co-teaching

Foster Traditional Academy

Student Enrollment: 282

Phone: (502) 485-8253

Address: 1401 S. 41st Street, Louisville, KY 40211

We are Foster! Our mission is Touch the Heart, Teach the Mind. Foster strives to ensure that all students succeed academically, socially, and emotionally. Our goal is to equip students with the skills necessary to lead successful and productive lives, ensuring that they are prepared for the college and/or career of their choice.

School Highlights

- Traditional Magnet Program that puts students on track to attend a Traditional Magnet middle school
- Uses a uniform policy
- **Student activities:** Student Technology Leadership Program (STLP), drama, basketball, cheerleading, dance, orchestra, band, choir, and Extended School Services (ESS)
- **Special areas:** Physical education (PE), art, music, library, and Science, Technology, Engineering, and Mathematics (STEM) Lab (five different special area classes each week for students)
- Beautiful facilities on a 40-acre campus

Greathouse/Shryock Traditional Elementary

Student Enrollment: 613

Phone: (502) 485-8259

Address: 2700 Browns Lane, Louisville, KY 40220

Web: jefferson.kyschools.us/page/greathouse-shryock-traditional-elementary

At Greathouse/Shryock Traditional Elementary, the teachers and staff provide a student-centered and rigorous academic curriculum in a highly structured learning environment that is essential for developing college and career readiness. The staff contribute to a student's growth by emphasizing high academic standards and responsible conduct. The focus is placed on the core subjects with an emphasis on developing complex thinkers who are self-directed learners and problem solvers striving for individual excellence and reaching their fullest potential in academics, character, citizenship, and leadership.

School Highlights

- Districtwide Traditional Magnet Program with a long history of academic excellence
- Highly structured, orderly environment emphasizing high academic standards and responsible conduct
- **Extracurricular activities:** Academic Team, basketball, Chess Club, Chinese Club, cross-country, Gifted Girls, LEGO Club, musical theatre, NASA Club, Problem Solving Team, Quick Recall, Video Club, soccer, Student Technology Leadership Program (STLP), and Wonderful Animals Giving Service (WAGS)
- Strong partnership agreement between student, parent, and school
- Part-time Family Resource Center (FRC) coordinator to help students and families with nonacademic learning barriers
- Full-time mental health practitioner
- Active Parent Teacher Association (PTA) with many volunteer opportunities
- **Special areas:** Art, band, library, music, orchestra, and physical education (PE)/health

Hawthorne Elementary

Student Enrollment: 455

Phone: (502) 485-8263

Address: 2301 Clarendon Avenue, Louisville, KY 40205

Web: jefferson.kyschools.us/page/hawthorne-elementary

We do it in Spanish, too! At Hawthorne Elementary, it is our vision that every student will develop into a globally and culturally competent learner. Our mission is that we will cultivate learning experiences in a Spanish immersion environment that prepares our students to be biliterate, bicultural, and bilingual. We ensure this success with high levels of learning, recognizing and valuing differences in our classrooms through a multicultural educational experience, and partnering with families and the community.

School Highlights

- A Certified National Magnet School from Magnet Schools of America
- The only Spanish Immersion Magnet in JCPS where students develop language proficiency in reading, writing, listening, and speaking in both English and Spanish
- Offers a Pathway to Seal of Biliteracy
- Delivers a variety of extracurricular activities engaging kindergarten through grade-five students in cross-curricular topics
- Provides a strong focus on family and community engagement
- Adopts Compassionate Schools Project (CSP) with an emphasis on social and emotional learning

Lincoln Elementary Performing Arts School

Student Enrollment: 593

Phone: (502) 485-8291

Address: 930 E. Main Street, Louisville, KY 40206

Web: jefferson.kyschools.us/page/lincoln-elementary-performing-arts-school

As Kentucky's first public elementary performing arts school, Lincoln commits to educating the whole child through a rigorous, arts-infused curriculum to best prepare students for future success. In addition to quality instruction in math, reading, social studies, writing, and science, students engage in a variety of arts instruction, including vocal, instrumental music, dance, drama, band, orchestra, piano, and visual arts. The arts are also integrated into lessons across various content areas, and students, families, and the school commit to students' being active participants in the arts!

School Highlights

- Districtwide magnet school
- A 40,000-square-foot performing arts wing that includes a 200-seat black box theater, two dance studios, a drama room, a piano lab, vocal and instrumental rooms, and a visual arts room
- Community partnerships with leading arts groups that allow students to experience professional performances in school and at outside venues, such as the Kentucky Center for the Arts
- After-school instruction provided by professional instructors from several organizations, including the Louisville Ballet, Louisville Orchestra, and StageOne Family Theatre
- Clubs and sports activities in addition to the arts programming

Schaffner Traditional Elementary

Student Enrollment: 558

Phone: (502) 485-8217

Address: 2701 Crums Lane, Louisville, KY 40216

Web: jefferson.kyschools.us/page/schaffner-traditional-elementary

We will provide a comprehensive approach to teaching the whole child through physical, social, emotional, and intellectual work. This will be achieved within a highly structured school environment where high expectations and accountability are a daily requirement. To be consistent with the JCPS core values of instruction, we will use manipulatives and engage students in hands-on activities through small-group instruction while facilitating many student-directed structured learning activities. We also concentrate on many foundational pillars of fundamental concepts and standards in rich and rigorous methods of teaching and learning.

School Highlights

- Blue Ribbon School of Excellence
- Student-driven, collaborative learning
- Fast-paced learning opportunities
- Strong emphasis on teaching leadership, self-direction, and self-discipline
- Daily instruction on kindness, courtesy, emotional/physical health, and respect for our community
- Frequent communication from both teachers and the school
- Highly structured learning environment
- Multiple family events offered each year
- Many opportunities for students to participate in athletics, clubs, and activities outside of school
- An expectation of strong parental involvement and support for our program

Magnet Programs

Fast Facts

Application required

Magnet programs have a specific theme or focus and provide a specialized learning environment.

- **All students applying for elementary magnet programs during the application period will be included in a lottery for admission.** No additional selection criteria or materials are required for elementary magnet program admission. If you're not initially accepted at one of the schools you've listed, you will be notified in the spring of your place on the waiting list.
- **Siblings of current or former magnet program students do not receive preference in the application process.** However, applications for siblings who share the same birth date (twins, triplets, etc.) who are applying to a program will be treated as one application. Parents/Guardians must still submit separate applications for each student.

SCHOOL PROFILES

MicroSociety

Indian Trail: Seneca, Southern, and Moore Zones

The MicroSociety Program encourages students to become responsible, caring, and productive citizens in a community of their own design. A rigorous academic curriculum aligned with Kentucky Academic Standards (KAS) connects learning to the real world, making each student's education relevant. Student entrepreneurs produce goods and services, elected officials establish laws, judges arbitrate disputes, and reporters track down stories. MicroSociety students are empowered with next-generation skills that are essential to their future, including communication, critical thinking, creativity, initiative, and innovation.

Talent Development

Byck: Districtwide

The Talent Development Program is based on the principles of active learning, multiple intelligences, arts in education, integrated themes, project-based learning, and student choice. Through a combination of an arts-infused curriculum and rigorous academic expectations, students develop academic, artistic, and creative talents. Gifted and Talented services are provided along with differentiated instruction for all Advance Program students.

Services for Multilingual Students

The Office of Multilingual Learners (OML) Welcome Center, located at 1325 Bluegrass Avenue, is where international or multilingual families can receive guidance on how to access educational services within JCPS. The office also offers language services and facilitates communication between families and schools to help maintain a strong connection in the educational process. Families can reach this office by calling **(502) 485-3623**.

Please note:

Every school in the JCPS District offers English Development services for students who qualify for Multilingual Learner (ML) programming.

Services for Students With Educational Disabilities

Exceptional Child Education (ECE) services are available for students with disabilities under the Individuals with Disabilities Education Act (IDEA) and Kentucky Administrative Regulations (KARs). The ECE student receives specially designed instruction in the Least Restrictive Environment (LRE) as determined by the Admissions and Release Committee (ARC) to meet the student's needs described in their Individual Education Program (IEP).

FAQs

School Choice

JCPs
SchoolFinder

Q: How do I register and apply to schools?

A: For more information on how to register and apply, see [pages 6–7](#).

Q: What does *School Choice* mean?

A: JCPs offers a school choice system that lets parents apply to the school that best meets their student’s needs and academic interests. **(See the School Choice QR code above.)** JCPs also offers students living in the Choice Zone the option to attend a school close to home or far away.

Q: How many magnet choices can I submit for my student?

A: Parents may select up to two magnet choices on the application.

Q: How can I change the application to a different school or program?

A: An online application can be changed until **December 19, 2025**. Changes are not permitted once the application period closes.

Q: How do I find out my student’s elementary school zone?

A: Use the SchoolFinder tool on the JCPs website to find your student’s school. **(See the SchoolFinder QR code above.)**

Q: I have applied, but my address has changed. What do I do?

A: Update your address with JCPs online or in person. Next, check SchoolFinder to determine if the change of address will impact your student’s application. Some schools or programs have boundaries. A change of address could mean your student, if accepted, would have a different school assignment. You will need to complete a new application if your new address is in a different zone.

Q: When and how will I find out about my student’s assignment?

A: Students who apply during the application period will be notified by letter, email, or phone of the status of their application by **April 2026**.

Q: I missed the magnet application period. What are my options?

A: You may submit a magnet application after **December 19, 2025**, but the application will only be considered if the school has openings for additional students. Students may always attend a school within their zone. **(See School Choice QR code.)**

Q: I don't live in Jefferson County right now but will be moving there before school begins. Can I submit a magnet application for my student?

A: You may submit a magnet application in order for your student to be considered for your school choice option. Students may always attend a school within their zone. You must provide proof of residence in Jefferson County before your student can enroll in a JCPS school. Call the Office of School Choice at **(502) 485-6250** for more information.

Q: I'll be moving to Jefferson County after school begins. What are the magnet options for my student?

A: Students who relocate to Jefferson County after the start of the 2026-27 school year can inquire about a magnet school option at the time of their arrival through **December 31, 2026**, but options may be limited. Students may always attend a school within their zone. Call the Office of School Choice at **(502) 485-6250** for more information.

Q: Does JCPS offer before-/after-school childcare programming?

A: Yes, the Child Enrichment Program (CEP) is offered through a partnership with the YMCA. **(See the CEP Program QR code.)** Contact the YMCA for more information.
